- i.) In the event that any one or all of the top 3 shooters fail to obtain the minimum qualifying score as reflected in g.) above, then team selection in respect of the remaining non automatic qualifying places per discipline on the team, shall be at the discretion of the WC Selection Committee, provided that the person(s) so selected, shall be a registered CTSASA member and Western Cape participant in the particular discipline that has shown recent good form in Club- and Provincial competitions.
